

### High-Performance Features & Benefits

Crafted for Quality, Designed for Value. Finestra Window & Door features a complete family of vinyl windows and doors.

#### PREMIER CRAFTSMANSHIP

- Casement Window meets AAMA Grade 50 Performance. See our website for additional performance data
- Smooth operating, weather resistant multi-point locking hardware
- Standard factory mulling
- Color matched folding crank handle
- Pre-punched integral nail fin for easy installation

#### STRENGTH & INSULATION

- Sealed insulating glass with warm edge metal free insulating glass system maximizes thermal performance and reduces condensation
- Dual compression seal weather stripping for maximum air leak protection
- 4 point fusion-welded corners along with double wall frame provides added strength and insulation

#### GLASS OPTIONS

Choose from a variety of glass options to meet your aesthetic & performance needs, including Low-E, obscure, tempered, & rain glass. Available configurations include:

- **Simulated Divided Lite (SDL):**  
1-1/8"
- **Grids Between the Glass (GBG):**  
3/4" flat grids available
- **Insulating Glass (I-G):**  
3/4" standard

#### OPTIONS

- Insect screen available
- WOCD's available
- Egress hinge available
- Field mullion for added flexibility

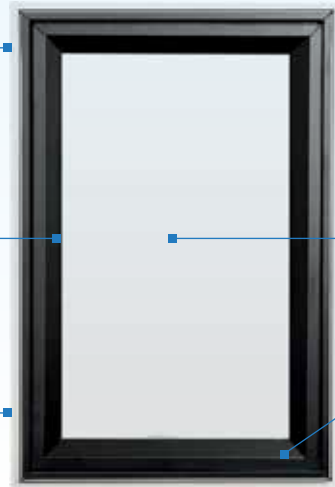

### Ease of Installation & Worry-Free Maintenance

Drywall pass-through window available.

Smooth operating, weather resistant multi-point locking hardware
