

High-Performance Features & Benefits

Crafted for Quality. Designed for Value, Finestra Window & Door manufactures premium vinyl sliding patio doors.

PREMIER CRAFTSMANSHIP

- Patio Door meets AAMA Class 15 Performance. See our website for additional performance data
- Integral interlock reduces air and water infiltration
- Pre-punched integral nail fin for easy installation
- Dual compression seal weather stripping for maximum air leak protection
- Smooth operating, weather resistant metal tandem rollers

STRENGTH & INSULATION

- Sealed insulating glass with warm edge metal free insulating glass system maximizes thermal performance and reduces condensation
- 4 point fusion-welded corners along with double wall frame provides added strength and insulation
